NOTICE TO MARINERS.

No. 43 of 1905.

(Atlantic Notice No. 28.)

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

QUEBEC.

(109) RIVER ST. LAWRENCE BELOW QUEBEC—BEAUJEU CHANNEL—LIGHTHOUSE FOUNDATION PLACED—TEMPORARY LIGHTS EXHIBITED.

A cribwork foundation for a lighthouse, under construction for the Department of Marine and Fisheries of Canada, was on 3rd June, 1905, sunk in the south channel of the River St. Lawrence, north-west of the West narrows of Beaujeu channel.

Lat. N. 47° 4' 16"
Long. W. 70 30 52

The lower part of the structure is 50 feet square, of timber cribwork 13 feet high. This will be surmounted by concrete walls with a batter, the frames for these walls are erected, and stand 8 feet above high water mark.

The foundation is sunk with one corner pointing up stream, in 14 feet water, on the shoal spot lying $1\frac{3}{4}$ cables west of Beaujeu bank gas buoy. From it Crane island lighthouse bears S. 62° W. distant 2 miles, and the front beacon used for placing the gas buoy, N. 14° W. distant 3 cables.

The following sextant angles fix the position of the crib:—

Stone Pillar lighthouse.....	0°	
L'Islet church.....	21°	24'
Cap St. Ignace church.....	68	54
St. Thomas church.....	69	58
Crane island lighthouse.....	24	2
Front gas buoy beacon.....	104	3
Stone Pillar lighthouse.....	71	39

The contractors maintain, on the upper part of the scaffolding, two reflector lanterns, showing temporarily fixed white lights up and down stream, from an elevation of 6 feet above high water mark. These should be visible 3 miles in the channel.

The light showing down stream, in one with Crane island light, bearing S. 62° W., marks the deep water channel from the lower end of Goose island reef to the turn at Beaujeu bank gas buoy. There is one spot with 3 fathoms on it in the alignment, about $1\frac{1}{2}$ cables east of the crib, but pilots make the turn for the gas buoy a long distance below this spot.

AVIS AUX NAVIGATEURS.

No 43 de 1905.

(Avis de l'Atlantique No 28).

Tous les relevements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

QUÉBEC.

(109) FLEUVE SAINT-LAURENT EN BAS DE QUÉBEC—CHENAL BEAUJEU—FONDATEURS D'UN PHARE—FEUX TEMPORAIRES MONTRÉS.

Le 3 de juin 1905, on a immergé, dans le chenal sud du fleuve Saint-Laurent, au nord-ouest des rétrécissements ouest du chenal Beaujeu, un caisson pour servir de fondation à un phare que fait construire le ministère de la Marine et des Pêcheries.

Lat. N. 47° 4' 16"
Long. O. 70 30 52

La partie inférieure de la structure a 50 pieds carrés, en caissonnage de 13 pieds de hauteur. Ceci sera surmonté de murs en béton avec un fruit, les cadres pour ces murs sont érigés, et sortent de 8 pieds au-dessus de la marque de l'eau haute.

La fondation, dont un angle pointe en remontant, est immergée dans 14 pieds d'eau, sur le haut-fond sis à 1½ encablure à l'ouest de la bouée à gaz de la batture Beaujeu. De là l'île aux Grues se trouve à 2 milles dans une direction S. 62° O., et la balise antérieure servant à placer la bouée à gaz, est à 3 encablures N. 14° O.

Les angles ci-dessous indiquent la position du caisson :—

Les entrepreneurs entretiennent sur le haut de l'échafaudage deux lanternes à réflecteurs, montrant temporairement des feux blancs fixes en remontant et en descendant, à une élévation de 6 pieds au-dessus de la marque de l'eau haute. Ces feux doivent être visibles à 3 milles dans le chenal.

Quand le feu qui brille en descendant le fleuve est en conjonction avec le phare de l'île aux Grues, direction S. 62° O., il marque le chenal en eau profonde depuis l'extrémité inférieure de l'île aux Oies jusqu'au détour à la bouée à gaz de la batture Beaujeu. Il y a un endroit dans l'alignement qui a 3 brasses d'eau, à environ 1½ encablure à l'est du caisson, mais les pilotes font le détour pour la bouée à gaz loin en bas de cet endroit.

BUCKINGHAM PALACE, 10TH MAY, 1905.

AT THE COURT AT BUCKINGHAM PALACE,
THE 10TH DAY OF MAY, 1905.

PRESENT :

The KING'S Most Excellent Majesty.

Lord President.

Lord Steward.

Earl of Kintore.

Sir H. Aubrey-Fletcher.

Sir Savile Crossley.

WHEREAS by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient;

And whereas a Treaty was concluded on the third day of October, one thousand nine hundred and four, between His Majesty and the President of the Republic of Cuba for the mutual extradition of fugitive criminals, which Treaty is in the terms following:—

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and His

Excellency the President of the Republic of Cuba, having determined, by common consent, to conclude a Treaty for the extradition of criminals, have accordingly named as their Plenipotentiaries:

His Majesty the King of the United Kingdom of Great Britain and Ireland, Lionel E. G. Carden, Esq., Minister Resident of Great Britain in Cuba, and His Excellency the President of the Republic of Cuba, Carlos E. Ortiz y Coffigny, Secretary of State and Justice; who, after having exhibited to each other their respective full powers and found them in good order and due form, have agreed upon the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one Party, shall be found within the territory of the other Party.

ARTICLE II.

Extradition shall be reciprocally granted for the following crimes or offences:—

1. Murder, or attempt or conspiracy to murder.
2. Manslaughter.
3. Administering drugs or using instruments with intent to procure the miscarriage of women.
4. Rape.
5. Carnal knowledge or any attempt to have carnal knowledge of a girl under the age of puberty according to the laws of the respective countries.

7. Kidnapping and false imprisonment, child-stealing.
8. Abduction.
9. Bigamy.
10. Maliciously wounding or inflicting grievous bodily harm.
11. Assault occasioning actual bodily harm.
12. Threats, by letter or otherwise, with intent to extort money or other things of value.
13. Perjury or subornation of perjury.
14. Arson.
15. Burglary or house-breaking, robbery with violence, larceny, or embezzlement.
16. Fraud by a bailee, banker, agent, factor, trustee, director, member, or public officer of any Company.
17. Obtaining money, valuable security, or goods by false pretences; receiving any money, valuable security, or other property, knowing the same to have been stolen or unlawfully obtained.
18. (a.) Counterfeiting or altering money or bringing into circulation counterfeited or altered money.
(b.) Knowingly making without lawful authority any instrument, tool, or engine adapted and intended for the counterfeiting of the coin of the realm.
(c.) Forgery, or uttering what is forged.
19. Crimes against bankruptcy law.
20. Any malicious act done with intent to endanger the safety of any persons travelling or being upon a railway.
21. Malicious injury to property, if such offence be indictable.
22. Piracy and other crimes or offences committed at sea against persons or things which, according to the laws of the High Contracting Parties, are extradition offences, and are punishable by more than one year's imprisonment.
23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

Extradition shall also be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both Contracting Parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the law of both the Contracting Parties for the time being in force, the grant can be made.

ARTICLE III.

Neither party is obliged to surrender its own subjects or citizens to the other party.

ARTICLE IV.

Extradition shall not take place if the person claimed on the part of His Majesty's Government, or of the Government of Cuba, has already been tried and discharged or punished, or is awaiting trial in the territory of the United Kingdom or in the Republic of Cuba respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of His Majesty's Government, or of the Government of Cuba, should be awaiting trial or undergoing sentence for any other crime in the territory of the United Kingdom or in the Republic of Cuba respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of sentence, or otherwise.

ARTICLE V.

Extradition shall not be granted if exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

Neither shall it be granted if, according to the law of either country, the maximum punishment for the offence charged is imprisonment for less than one year.

ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

ARTICLE VII.

A person surrendered shall in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by a copy of the Judgment passed on the convicted person by the competent Court of the State that makes the requisition for extradition.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the said authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate. In the Republic of Cuba the Government will decide by Administrative procedure on everything connected with extradition until a special procedure on the subject be established by law.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or if extradition is claimed in respect of an offence of which the fugitive has been already convicted, to prove that the prisoner is the person convicted, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to.

ARTICLE XII.

In the examination which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact of a conviction, provided the same are authenticated as follows:—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

2. Depositions or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated, either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of His Britannic Majesty, so far as the laws in such Colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or Chief authority of such Colony or possession by the chief Consular officer of the Republic of Cuba in such Colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

His Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Cuban criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possessions will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of His Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Senate of the Republic of Cuba, and the ratifications shall be exchanged at Havana as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done in duplicate at Havana the third day of October, nineteen hundred and four.

(L.S.) LIONEL GARDEN.
(L.S.) C. E. ORTIZ.

And whereas the ratifications of the said Treaty were exchanged at Havana on the tenth day of January, one thousand nine hundred and five :

Now, therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to him by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of May, one thousand nine hundred and five, the said Acts shall apply in the case of Cuba and of the said Treaty with the President of the Republic of Cuba :

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the Extradition of Fugitive Criminals," shall continue in force there, and no longer.

Circulaire.

DOWNING STREET,

2 juin 1905.

MONSIEUR,—J'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un arrêté de Sa Majesté le Roi en conseil, daté le 10 de mai 1905, donnant effet au traité entre Sa Majesté le Président de la République de Cuba, pour l'extradition mutuelle de criminels fugitifs, signé à la Havane le 3e jour d'octobre 1904, dont les ratifications ont été échangées à cette cité le 10 janvier 1905.

J'ai l'honneur d'être, monsieur,

Votre très humble serviteur,

ALFRED LYTTTELTON.

A l'Administrateur
du gouvernement du Canada.

ARRÊTÉ EN CONSEIL.

(Appliquant le traité d'extradition avec Cuba du 3 octobre 1905.

CHATEAU DE BUCKINGHAM, 10 MAI 1905

A LA COUR AU CHATEAU DE BUCKINGHAM,
LE 10^E JOUR DE MAI 1905.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Intendant,
Le comte de Kintore,
Sir H. Aubrey-Fletcher,
Sir Savile Crossley.

CONSIDÉRANT que par les Actes d'extradition, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre

l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le troisième jour d'octobre, mil neuf cent quatre, entre Sa Majesté et le Président de la République de Cuba pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Empereur des Indes, et Son Excellence le Président de la République de Cuba, ayant décidé, de consentement mutuel, de conclure un traité pour l'extradition des criminels, ont nommé pour leurs plénipotentiaires :

Sa Majesté le Roi du Royaume-Uni de la Grande Bretagne et d'Irlande : Lionel E. G. Carden, écuyer, ministre résident de la Grande-Bretagne à Cuba ; et Son Excellence le Président de la République de Cuba : Carlos E. Ortiz y Cofigny, Secrétaire d'Etat et juge ; lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour un crime ou délit commis sur le territoire de l'une des parties, seront trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre ou tentative ou conspiration pour commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Commerce charnel avec une jeune fille n'ayant pas atteint l'âge de puberté, ou tentative de commettre ce crime, d'après les lois des pays respectifs.
6. Attentat à la pudeur avec violence.
7. Séquestration et détention illégale, vol d'enfant.
8. Enlèvement ou rapt.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles graves.
12. Menaces écrites ou autres, faites en vue d'extorquer de l'argent ou autres choses de valeur.
13. Faux serment ou subornation de témoins.
14. Incendie volontaire.
15. Vol avec effraction ou bris de maison, vol avec violence, larcin ou détournement.
16. Fraude par un dépositaire, banquier, agent, facteur, fidéicommissaire, directeur, membre ou officier public d'une compagnie.
17. Escroquerie d'argent, valeurs ou autres objets, sous de faux prétextes ; recel en connaissance de cause de numéraire, valeur ou autre propriété, provenant de soustractions, d'escroquerie ou d'abus de confiance.
18. (a) Faux, contrefaçon ou altération, ou mise en circulation de ce qui est falsifié, contrefait ou altéré.
(b) Fabrication, avec connaissance de cause d'un instrument, outil ou invention adapté et destiné à la contrefaçon de la monnaie.
(c) Faux, ou mise en circulation de ce qui est falsifié ou contrefait.
19. Crimes contre la loi des banqueroutes.
20. Tout acte commis avec intention de mettre en danger la sûreté d'une personne dans un train de chemin de fer.
21. Dommages malicieux à la propriété, si le fait est punissable de peines criminelles.

22. Piraterie et autres crimes ou délits commis en mer contre des personnes ou choses que les lois des hautes parties contractantes considèrent délits entraînant l'extradition, et sont punissables par plus d'un an d'emprisonnement.

23. Traité des esclaves en tant que la chose constitue un crime contre les lois des deux Etats.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que cette complicité soit punissable par les lois des deux parties contractantes.

L'extradition aura également lieu à la discrétion de l'Etat requis au sujet de tout autre crime pour lequel, selon la loi des deux parties contractantes alors en vigueur, la demande peut être accordée.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans les territoires du Royaume-Uni ou dans la République de Cuba, respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba est en état de prévention, ou subit une peine après condamnation dans le territoire du Royaume-Uni, ou dans la République de Cuba, respectivement, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

L'extradition n'aura pas lieu non plus si, d'après la loi de chaque pays, la punition maximum pour le délit imputé, est un emprisonnement pour moins d'un an.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui a été livré ne sera, en aucun cas, dans le pays auquel l'extradition a été accordée, maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui ont motivé l'extradition, jusqu'à ce qu'il ait été réintégré, ou ait eu l'occasion de retourner dans l'Etat qui l'a extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

La demande d'extradition sera faite par l'entremise des agents diplomatiques des deux hautes parties contractantes respectivement :—

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par toute autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle la dite autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police. Dans la République de Cuba le gouvernement décidera par procédure administrative sur toute chose concernant l'extradition jusqu'à ce qu'une procédure spéciale soit établie par la loi sur le sujet.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise en jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, ou si l'extradition est demandée au sujet d'un délit pour lequel le fugitif a déjà été condamné, pour prouver que le prisonnier est la personne condamnée, et que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation.

ARTICLE XII.

Les autorités de l'Etat requis, quand elles procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre Etat, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre Etat.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre Etat.
4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de quelque ministre de l'autre Etat ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois du pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour

de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses se rattachant à l'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères de Sa Majesté Britannique en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

La demande d'extradition d'un délinquant qui s'est réfugié dans une de ces colonies ou possessions étrangères peut être faite au gouverneur ou principal fonctionnaire de cette colonie ou possession par la personne autorisée à agir dans cette colonie ou possession comme officier consulaire de la République de Cuba.

Le gouverneur ou l'autorité supérieure mentionnée décidera à l'égard de ces demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Cuba qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté Britannique seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire dix jours après sa publication, en conformité des formules prescrites par les lois des hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'au plus un an et d'au moins six mois.

Le traité sera ratifié après avoir reçu l'approbation du Sénat de la République de Cuba, et les ratifications seront échangées à la Havane aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

Fait en double à la Havane, le troisième jour d'octobre mil neuf cent quatre.

[L.S.] LIONEL CARDEN,
[L.S.] C. E. ORTIZ.

Et attendu que les ratifications du dit traité ont été échangées à la Havane, le dixième jour de janvier mil neuf cent cinq,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour de mai mil neuf cent cinq, les dits actes s'appliqueront dans le cas de Cuba, et du traité avec le Président de la République de Cuba.*

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

BUCKINGHAM PALACE, 10TH MAY, 1905.

AT THE COURT AT BUCKINGHAM PALACE
THE 10TH DAY OF MAY, 1905.

PRESENT :

The KING'S Most Excellent Majesty.

Lord President.

Lord Steward.

Earl of Kintore.

Sir H. Aubrey-Fletcher.

Sir Savile Crossley.

WHEREAS by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient ;

And whereas a Treaty was concluded on the third day of October, one thousand nine hundred and four, between His Majesty and the President of the Republic of Cuba for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and His Excellency the President of the Republic of Cuba, having determined, by common consent, to conclude a Treaty for the extradition of criminals, have accordingly named as their Plenipotentiaries :

His Majesty the King of the United Kingdom of Great Britain and Ireland, Lionel E. G. Carden, Esq., Minister Resident of Great Britain in Cuba, and His Excellency the President of the Republic of Cuba, Carlos E. Ortiz y Coffigny, Secretary of State and Justice ; who, after having exhibited to each other their respective full powers and found them in good order and due form, have agreed upon the following Articles :—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one Party, shall be found within the territory of the other Party.

ARTICLE II.

Extradition shall be reciprocally granted for the following crimes or offences :—

1. Murder, or attempt or conspiracy to murder.
2. Manslaughter.
3. Administering drugs or using instruments with intent to procure the miscarriage of women.
4. Rape.
5. Carnal knowledge or any attempt to have carnal knowledge of a girl under the age of puberty according to the laws of the respective countries.
6. Indecent assault.
7. Kidnapping and false imprisonment, child-stealing.
8. Abduction.
9. Bigamy.
10. Maliciously wounding or inflicting grievous bodily harm.
11. Assault occasioning actual bodily harm.
12. Threats, by letter or otherwise, with intent to extort money or other things of value.
13. Perjury or subornation of perjury.
14. Arson.
15. Burglary or house-breaking, robbery with violence, larceny, or embezzlement.
16. Fraud by a bailee, banker, agent, factor, trustee, director, member, or public officer of any Company.
17. Obtaining money, valuable security, or goods by false pretences ; receiving any money, valuable security, or other property, knowing the same to have been stolen or unlawfully obtained.
18. (a.) Counterfeiting or altering money or bringing into circulation counterfeited or altered money.
- (b.) Knowingly making without lawful authority any instrument, tool, or engine adapted and intended for the counterfeiting of the coin of the realm.
- (c.) Forgery, or uttering what is forged.
19. Crimes against bankruptcy law.
20. Any malicious act done with intent to endanger the safety of any persons travelling or being upon a railway.

21. Malicious injury to property, if such offence be indictable.

22. Piracy and other crimes or offences committed at sea against persons or things which, according to the laws of the High Contracting Parties, are extradition offences, and are punishable by more than one year's imprisonment.

23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

Extradition shall also be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both Contracting Parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the law of both the Contracting Parties for the time being in force, the grant can be made.

ARTICLE III.

Neither party is obliged to surrender its own subjects or citizens to the other party.

ARTICLE IV.

Extradition shall not take place if the person claimed on the part of His Majesty's Government, or of the Government of Cuba, has already been tried and discharged or punished, or is awaiting trial in the territory of the United Kingdom or in the Republic of Cuba respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of His Majesty's Government, or of the Government of Cuba, should be awaiting trial or undergoing sentence for any other crime in the territory of the United Kingdom or in the Republic of Cuba respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of sentence, or otherwise.

ARTICLE V.

Extradition shall not be granted if exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

Neither shall it be granted if, according to the law of either country, the maximum punishment for the offence charged is imprisonment for less than one year.

ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

ARTICLE VII.

A person surrendered shall in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by a copy of the Judgment passed on the convicted person by the competent Court of the State that makes the requisition for extradition.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the said authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate. In the Republic of Cuba the Government will decide by Administrative procedure on everything connected with extradition until a special procedure on the subject be established by law.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or if extradition is claimed in respect of an offence of which the fugitive has been already convicted, to prove that the prisoner is the person convicted, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to.

ARTICLE XII.

In the examination which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact

of a conviction, provided the same are authenticated as follows :—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

2. Depositions or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated, either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State ; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place ; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of His Britannic Majesty, so far as the laws in such Colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or Chief authority of such Colony or possession by the chief Consular officer of the Republic of Cuba in such Colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

His Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Cuban criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possessions will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of His Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Senate of the Republic of Cuba, and the ratifications shall be exchanged at Havana as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done in duplicate at Havana the third day of October, nineteen hundred and four.

(L.S.) LIONEL GARDEN.
(L.S.) C. E. ORTIZ.

And whereas the ratifications of the said Treaty were exchanged at Havana on the tenth day of January, one thousand nine hundred and five :

Now, therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to him by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of May, one thousand nine hundred and five, the said Acts shall apply in the case of Cuba and of the said Treaty with the President of the Republic of Cuba :

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the Extradition of Fugitive Criminals," shall continue in force there, and no longer.

(118) RIVER ST. LAWRENCE—LAKE ST. PETER—POINTE DU LAC RANGE—LIGHTHOUSE FOUNDATION PLACED.

A cribwork foundation for a lighthouse under erection by the Government of Canada was, on the 17th June, 1905, sunk in 21 feet at low water near No. 3 lightship, Lake St. Peter.

Lat. N. 46° 15' 57"
Long. W. 72 42 15

The middle of the pier is 168 feet N. 40° E. from No. 3 lightship, and 9640 feet S. 71° W. from Pointe du Lac lighthouse. The following sextant angles fix its position :

Pointe du Lac church.....	0°
Pointe du Lac lighthouse.....	33 30'
Port St. Francis back lighthouse. ...	26 31
Nicolet convent cupola.....	37 58
La Baie church.....	63 12
Yamachiche church.....	96 17
Pointe du Lac church.....	102 32

The pier is intended to support the lighthouse from which the front light of a range to mark the axis of the ship channel dredged through Lake St. Peter from Nicolet traverse to the bend at Yamachiche gas buoy (No. 57L) will be shown. This is the channel now marked by lightship No. 3 in one with Pointe du Lac lighthouse, but the pier is 75 feet north of the alignment of those lights, as it will mark the axis of the improved channel which has been increased from 300 to 450 feet in width. A new back tower will later be built at Pointe du Lac, also 75 feet north of the old alignment.

The cribwork, 50 feet square, set with one corner up stream, is under water, but some false work shows above water. The foundation will not be marked by anything better than ordinary lantern lights, as it is out of the channel. Small vessels are cautioned not to pass north of the lightship at night.

- L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que cette complicité soit punissable par les lois des deux parties contractantes.
- L'extradition aura également lieu à la discrétion de l'Etat requis au sujet de tout autre crime pour lequel, selon la loi des deux parties contractantes alors en vigueur, la demande peut être accordée.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans les territoires du Royaume-Uni ou dans la République de Cuba, respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba est en état de prévention, ou subit une peine après condamnation dans le territoire du Royaume-Uni, ou dans la République de Cuba, respectivement, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

L'extradition n'aura pas lieu non plus si, d'après la loi de chaque pays, la punition maximum pour le délit imputé, est un emprisonnement pour moins d'un an.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui a été livré ne sera, en aucun cas, dans le pays auquel l'extradition a été accordée, maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui ont motivé l'extradition, jusqu'à ce qu'il ait été réintégré, ou ait eu l'occasion de retourner dans l'Etat qui l'a extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

La demande d'extradition sera faite par l'entremise des agents diplomatiques des deux hautes parties contractantes respectivement :—

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par toute autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle la dite autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police. Dans la République de Cuba le gouvernement décidera par procédure administrative sur toute chose concernant l'extradition jusqu'à ce qu'une procédure spéciale soit établie par la loi sur le sujet.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise en jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, ou si l'extradition est demandée au sujet d'un délit pour lequel le fugitif a déjà été condamné, pour prouver que le prisonnier est la personne condamnée, et que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation.

ARTICLE XII.

Les autorités de l'Etat requis, quand elles procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre Etat, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante:—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de quelque ministre de l'autre Etat; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois du pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses se rattachant à l'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères de Sa Majesté Britannique en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

La demande d'extradition d'un délinquant qui s'est réfugié dans une de ces colonies ou possessions étrangères peut être faite au gouverneur ou principal fonctionnaire de cette colonie ou possession par la personne autorisée à agir dans cette colonie ou possession comme officier consulaire de la République de Cuba.

Le gouverneur ou l'autorité supérieure mentionné décidera à l'égard de ces demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spé-

ciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Cuba qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté Britannique seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire dix jours après sa publication, en conformité des formules prescrites par les lois des hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'au plus un an et d'au moins six mois.

Le traité sera ratifié après avoir reçu l'approbation du Sénat de la République de Cuba, et les ratifications seront échangées à la Havane aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

Fait en double à la Havane, le troisième jour d'octobre mil neuf cent quatre.

[L.S.] LIONEL CARDEN,
[L.S.] C. E. ORTIZ.

Et attendu que les ratifications du dit traité ont été échangées à la Havane, le dixième jour de janvier mil neuf cent cinq,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour de mai mil neuf cent cinq, les dits actes s'appliqueront dans le cas de Cuba, et du traité avec le Président de la République de Cuba.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

AVIS AUX NAVIGATEURS.

No 48 de 1905.

(Avis de l'Atlantique No 32.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

QUÉBEC.

(117) FLEUVE SAINT-LAURENT—CHENAL DES NAVIRES ENTRE QUÉBEC ET MONTRÉAL—ALIGNEMENT SUPÉRIEUR DE CHAMPLAIN—NOUVELLES TOURS D'ALIGNEMENT.

Tour antérieure.—La balise antérieure des deux balises en amont du village de Champlain qui lorsqu'elles étaient en conjonction indiquaient l'ancien axe du chenal des navires depuis le coude de la pointe aux Citrouilles jusqu'au coude en amont de Champlain, a été démolie et remplacée par une tour en bois.

Lat. N. 46° 26' 18"
Long. O. 72 21 27

La tour est un bâtiment en bois, entouré, de forme carrée, avec côtés en pente, surmonté d'une lanterne carrée en bois. Il est peinturé en blanc et le toit de la lanterne en rouge.

Le feu temporaire montré jusqu'ici de la balise (voir Avis aux Navigateurs No. 83 (222) de 1904 sera montré de cette tour jusqu'à nouvel ordre, et lorsqu'il est en conjonction avec le feu montré de la vieille balise haute il indique l'ancien axe du chenal des navires qui est à 75 pieds au nord de l'axe du chenal amélioré.

Lorsque ce chenal amélioré sera complété, ce phare sera reculé 75 pieds au sud dans le nouvel axe du chenal. Ceci fait, la haute balise sera descendue et la nouvelle tour postérieure ci-après mentionnée sera allumée, et alors les deux feux en conjonction indiqueront l'axe du chenal élargi.

Tour postérieure.—Une tour est en voie de construction 75 pieds au sud de la haute balise de l'alignement plus haut décrit. C'est une tour en acier à jour.

De plus amples détails de cet alignement seront publiés lorsque les feux seront allumés.

Les navigateurs sont avertis que si les tours dans leur position actuelle sont mises en conjonction elles jetteront les vaisseaux au nord du chenal. Pour le moment,

la tour antérieure doit être alignée avec la balise de jour postérieure. La nuit les feux indiqueront le même alignement.

(118) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—ALIGNEMENT DE LA POINTE DU LAC—FONDATEMENTS D'UN PHARE PLACÉS.

Les fondations en caissonnage pour asseoir un phare que fait construire le gouvernement du Canada, ont été, le 17 juin 1905, immergées dans 21 pieds à l'eau basse près du bateau-feu No 3, lac Saint-Pierre.

Lat. N. 46° 15' 57"
Long. O. 72 42 15

Le centre de la pile est à 168 pieds N. 40° E. du bateau-feu No 3, et à 9640 pieds S. 71° O. du phare de la Pointe du Lac. Les relèvements suivants indiquent sa position :

Eglise de la Pointe du Lac.....	0'
Phare de la Pointe du Lac.....	33 50
Phare postérieur du port de St-François.....	26 31
Coupoie du couvent de Nicolet.....	37 58
Eglise de La Baie.....	63 12
Eglise de Yamachiche.....	96 17
Eglise de la Pointe du Lac.....	102 32

La pile est destinée à supporter le phare d'où sera montré le feu antérieur d'un alignement pour marquer l'axe du chenal des navires dragué dans le lac Saint-Pierre depuis la traverse de Nicolet jusqu'au coude à la bouée à gaz de Yamachiche (No 57L). Ceci est le chenal aujourd'hui marqué par le bateau-feu No 3 en conjonction avec le phare de la Pointe du Lac, mais la pile est à 75 pieds au nord de l'alignement de ces feux, car il marquera l'axe du chenal amélioré qui a été élargi de 300 à 450 pieds. Une nouvelle tour postérieure sera plus tard construite à la Pointe du Lac, aussi à 75 pieds au nord de l'ancien alignement.

Le caissonnage, 50 pieds carrés, posé avec un angle contre le courant, est submergé, mais une partie émerge hors de l'eau. La fondation ne sera marquée par aucune autre chose de mieux que des feux de lanterne ordinaires, vu qu'elle est en dehors du chenal. Les petits vaisseaux sont avertis de ne pas passer au nord du bateau-feu la nuit.

"In His Majesty's name, His Excellency the Governor General thanks His Loyal Subjects, accept their benevolence, and assents to this Bill."

After which His Excellency the Governor General was pleased to close the FIRST SESSION of the TENTH PARLIAMENT of the DOMINION with the following

SPEECH:

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

In relieving you from this laborious and long protracted session, I desire to express my hearty congratulations on the passage of the two important measures providing for the entry into the Confederacy of the Provinces of Alberta and Saskatchewan.

The unparalleled increase in the population during the last three years, of the areas the new Provinces embrace, affords the strongest evidence that at no distant date they will be the homes of many millions of prosperous and contented people.

The fair prospect of an unusually abundant harvest, not alone in the three prairie Provinces, but also in

other parts of this wide Dominion will, I trust, under a kind Providence, be fully realized, justifying the hope that the stream of immigration now flowing into the Dominion will continue for many years to come, adding wealth to this highly favoured land.

The addition to the number of the Permanent Force which you have authorized will enable my Government to relieve the tax-payers of the United Kingdom from the burden of keeping up the garrisons at Esquimalt and at Halifax.

It is very gratifying to note that the revenue of the Dominion continues to maintain the high level it had reached two years ago, thus enabling my Government to meet the increased expenditure chargeable against Consolidated Revenue, leaving a surplus to apply on Capital Account.

The numerous Private Bills for industrial objects to which I have assented point to the existence of many new enterprises.

Gentlemen of the House of Commons :

I thank you, in His Majesty's name, for the Supplies you have so liberally voted.

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In returning to your several homes allow me to express the hope that you will find abundant evidences of the growing prosperity and that before we meet again at another session some progress may have been made in the work of constructing the National Transcontinental Railway so soon to become a necessity for the transportation of the annually increasing products of the West.

THE SPEAKER of the Senate then said :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Tuesday, the twenty-ninth day of August next, to be here holden, and this Parliament is accordingly prorogued until the twenty-ninth day of August next.

PRESENT :

The KING'S Most Excellent Majesty.

Lord President.

WHEREAS by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient ;

And whereas a Treaty was concluded on the third day of October, one thousand nine hundred and four, between His Majesty and the President of the Republic of Cuba for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and His Excellency the President of the Republic of Cuba, having determined, by common consent, to conclude a Treaty for the extradition of criminals, have accordingly named as their Plenipotentiaries :

ARTICLE I.

The High Contracting Parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one Party, shall be found within the territory of the other Party.

2. Manslaughter.

21. Malicious injury to property, if such offence be indictable.
22. Piracy and other crimes or offences committed at sea against persons or things which, according to the laws of the High Contracting Parties, are extradition offences, and are punishable by more than one year's imprisonment.
23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

Extradition shall also be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both Contracting Parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the law of both the Contracting Parties for the time being in force, the grant can be made.

ARTICLE III.

Neither party is obliged to surrender its own subjects or citizens to the other party.

ARTICLE IV.

Extradition shall not take place if the person claimed on the part of His Majesty's Government, or of the Government of Cuba, has already been tried and discharged or punished, or is awaiting trial in the territory of the United Kingdom or in the Republic of Cuba respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of His Majesty's Government, or of the Government of Cuba, should be awaiting trial or undergoing sentence for any other crime in the territory of the United Kingdom or in the Republic of Cuba respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of sentence, or otherwise.

ARTICLE V.

Extradition shall not be granted if exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

Neither shall it be granted if, according to the law of either country, the maximum punishment for the offence charged is imprisonment for less than one year.

ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

ARTICLE VII.

A person surrendered shall in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by a copy of the Judgment passed on the convicted person by the competent Court of the State that makes the requisition for extradition.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the said authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate. In the Republic of Cuba the Government will decide by Administrative procedure on everything connected with extradition until a special procedure on the subject be established by law.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or if extradition is claimed in respect of an offence of which the fugitive has been already convicted, to prove that the prisoner is the person convicted, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to.

ARTICLE XII.

In the examination which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact

of a conviction, provided the same are authenticated as follows :—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.
2. Depositions or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.
3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.
4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated, either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State ; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place ; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of His Britannic Majesty, so far as the laws in such Colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or Chief authority of such Colony or possession by the chief Consular officer of the Republic of Cuba in such Colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

His Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Cuban criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possessions will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of His Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Senate of the Republic of Cuba, and the ratifications shall be exchanged at Havana as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done in duplicate at Havana the third day of October, nineteen hundred and four

(L.S.) LIONEL CARDEN.

(L.S.) C. E. ORTIZ.

And whereas the ratifications of the said Treaty were exchanged at Havana on the tenth day of January, one thousand nine hundred and five :

Now, therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to him by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of May, one thousand nine hundred and five, the said Acts shall apply in the case of Cuba and of the said Treaty with the President of the Republic of Cuba :

PRINCE EDWARD ISLAND.

- (125) SOUTH COAST—HILLSBOROUGH BAY—POSITION OF FITZROY ROCK BELL BUOY.

In the Canadian List of Lights and Fog Signals it is stated that Fitzroy rock bell buoy bears N.N.E. from Point Prim buoy. The correct bearing should be N. 14° E.

In running from one buoy to the other due care must always be exercised in regard to the tide which runs strong into Orwell bay during the flood and is liable to carry a vessel over Governor shoals.

- (126) SOUTH COAST—HILLSBOROUGH BAY—OFF ST. PETERS ISLAND—BUOY ESTABLISHED.

A steel can buoy has been established on the S. W. reef of St. Peters island, west side of entrance to Hillsborough bay, strait of Northumberland.

Lat. N. 46° 6' 0"

The buoy is painted black with "St. Peters Island S. W. reef" painted thereon.

The buoy is moored in 26 feet water, about $1\frac{1}{2}$ miles from the west extreme of St. Peters island.

From the buoy, Rice point bears N. 24° E., the west extreme of St. Peters island N. 59° E., and Point Prim lighthouse S. 48° E.

Mariners should be very cautious when steering from this buoy to Fitzroy rock bell buoy, especially during flood tide which runs strong N.N.W. ward, and is liable to carry a vessel into St. Peters shoals.

The bottom is very uneven along these shoals, and when soundings are made due allowance must always be made for this.

(136) STUART CHANNEL — OFF THETIS ISLAND —
UNCHARTED ROCKS.

Commander J. F. Parry, R. N., reports the existence of the following rocks off the north end of Thetis island :

(a) A rocky patch, composed of rock, large stones and sand, lies off the west side of Reef point, the north-west point of Thetis island ; it has several heads with 6 feet on them at low water, and is connected with the shore ; the outermost head has a depth of 6 feet over it at low water, and lies $2\frac{1}{2}$ cables southerly from Reef point, with the shore line abreast of it $1\frac{1}{2}$ cables distant. This places the outer edge of this shoal just outside the 8 fathoms shown on the charts.

(b) A rock, having 4 feet over it at low water, was found at the western side of the entrance of North cove, Thetis island ; it is situated with Reef point bearing S. 52° W., distant $3\frac{1}{10}$ cables ; it is $1\frac{1}{10}$ cables from the shore abreast of it.

Commander J. F. Parry, R. N., reports the existence of the following rocks in the approach to Gabriola pass :

(a) On close examination of Gabriola reef, the southernmost danger was found to be a depth of 18 feet at low water, with Gabriola beacon bearing due North, distant $1\frac{1}{10}$ miles.

(b) A rock, with 4 feet over it at low water, was found off the eastern entrance to Gabriola pass, lying $2\frac{1}{2}$ cables S. 68° E. from the southeast extreme of the long island abreast of the pass. A cribwork foundation for a lighthouse under erection by the Government of Canada was, on the 29th June, 1905, sunk in 7 feet at low water near No. 2 lightship, Lake St. Peter.

Lat.	N.	46°	11'	40"

Ile aux Raisins high light.....	34 15

The pier is intended to support the lighthouse from which the back light of a range to mark the axis of the ship channel dredged through Lake St. Peter from No. 2 lightship to No. 1 lightship will be shown.

A front lighthouse for the range will later be built in Louiseville bend 75 feet northerly from the position now occupied by lightship No. 2.

The cribwork 40 feet square, set with one corner up stream, is under water, but some false work shows above water. As this structure is on the flats it will not be specially marked.

Pilots are instructed to check their vessels down to dead slow in passing this foundation and that lately sunk at Pointe du Lac bend during working hours, as damage has already been done to piles and pile drivers from excessive wash produced by passing these temporary structures at full speed.

QUEBEC.

(117) RIVER ST. LAWRENCE—SHIP CHANNEL BETWEEN QUEBEC AND MONTREAL — CHAMPLAIN UPPER RANGE—NEW RANGE TOWERS.

Front tower.—The front day beacon of the pair above the village of Champlain, which in one indicated the old axis of the ship channel from the bend at Citrouille point to the bend above Champlain, has been taken down and replaced by an enclosed wooden lighthouse tower.

Lat. N. 46° 26' 18"
Long. W. 72 21 27

The tower is an enclosed wooden building, square in plan, with sloping sides, surmounted by a square wooden lantern. It is painted white with the roof of the lantern red.

The temporary light heretofore shown from the beacon (see notice to mariners No. 83 (222) of 1904) will be shown from this tower until further notice, and in one with the light shown from the old high beacon indicates the old axis of the ship channel, which is 75 feet north of the axis of the improved channel.

When the improved channel is completed this lighthouse will be moved 75 feet southward into the new axis of the channel. When this has been done the high beacon will be taken down and the new back lighthouse hereinafter mentioned put in operation, when the two lights in one will indicate the axis of the widened channel.

Back tower.—A lighthouse tower is in course of erection 75 feet south of the high beacon of the range. It is a steel skeleton tower.

Further details of this range will be published when the lights are put in operation.

Mariners are warned that if the lighthouse towers in their present position are brought in one they will throw vessels north of the channel. For the present, the front lighthouse is to be aligned with the back day beacon. At night the lights show the same alignment. N. to M. No. 48 (117) 20-6-05.

(118) RIVER ST. LAWRENCE—LAKE ST. PETER—POINTE DU LAC RANGE—LIGHTHOUSE FOUNDATION PLACED.

A cribwork foundation for a lighthouse under erection by the Government of Canada was, on the 17th June, 1905, sunk in 21 feet at low water near No. 3 lightship, Lake St. Peter.

Lat. N. 46° 15' 57"
Long. W. 72 42 15

The middle of the pier is 168 feet N. 40° E. from No. 3 lightship, and 9640 feet S. 71° W. from Pointe

du Lac lighthouse. The following sextant angles fix it position :

Pointe du Lac church.....	0°

Nicolet convent cupola.....	37 58
La Baie church.....	63 12

Pointe du Lac church.....	102 32

The pier is intended to support the lighthouse from which the front light of a range to mark the axis of the ship channel dredged through Lake St. Peter from Nicolet traverse to the bend at Yamachiche gas buoy (No. 57L) will be shown. This is the channel now marked by lightship No. 3 in one with Pointe du Lac lighthouse, but the pier is 75 feet north of the alignment of those lights, as it will mark the axis of the improved channel which has been increased from 300 to 450 feet in width. A new back tower will later be built at Pointe du Lac, also 75 feet north of the old alignment.

The cribwork, 50 feet square, set with one corner up stream, is under water, but some false work shows above water. The foundation will not be marked by anything better than ordinary lantern lights, as it is out of the channel. Small vessels are cautioned not to pass north of the lightship at night.

"Au nom de Sa Majesté, Son Excellence le Gouverneur Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur Général de clore la PREMIÈRE SESSION DU DIXIÈME PARLEMENT par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous soulageant du poids de cette laborieuse et longue session je désire vous féliciter cordialement d'avoir adopté les deux importantes mesures pourvoyant à l'admission des provinces d'Alberta et de Saskatchewan dans la Confédération.

L'incomparable accroissement de la population dans l'étendue de ces nouvelles provinces depuis trois ans indique de la façon la plus claire qu'elles compteront bientôt plusieurs millions d'habitants prospères et heureux.

J'ai confiance que, Dieu aidant, la perspective d'une récolte exceptionnellement abondante non seulement dans les trois provinces des prairies, mais dans d'autres parties de ce vaste Dominion, va se réaliser complètement et que, par suite, et conformément à nos espérances, le courant d'immigration qui se dirige actuellement vers le Dominion continuera, durant de nombreuses années, de s'y diriger et de contribuer ainsi à enrichir ce pays si favorisé.

L'augmentation de l'effectif de la troupe permanente, que vous avez autorisée, va permettre à mon Gouvernement de décharger les contribuables du Royaume-Uni du soin onéreux d'entretenir des garnisons à Esquimalt et à Halifax.

Il est très satisfaisant de constater que le revenu du Dominion se maintient au chiffre élevé qu'il avait atteint il y a deux ans, ce qui permet à mon Gouver-

nement de faire face à l'augmentation des dépenses imputables sur le revenu consolidé et laisse un excédent à inscrire au compte du capital.

Le grand nombre de bills d'intérêt privé qui ont été présentés pour des fins industrielles, et que j'ai sanctionnés, fait voir qu'il existe plusieurs nouvelles entreprises.

Messieurs de la Chambre des Communes :

Je vous remercie, au nom de Sa Majesté, d'avoir si libéralement voté les subsides.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Au moment de retourner dans vos foyers permettez-moi de vous exprimer l'espoir que vous trouverez d'abondantes preuves d'une prospérité croissante, et que d'ici à ce qu'une autre session nous réunisse il se fera du progrès dans les travaux de construction du chemin de fer transcontinental national qui deviendra si tôt nécessaire au transport des produits de l'Ouest dont la quantité augmente d'année en année.

L'ORATEUR du Sénat alors dit :

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à mardi, le vingt-neuvième jour d'août prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à mardi, le vingt-neuvième jour d'août prochain.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Ma-

jesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de novembre mil huit cent quatre-vingt, entre Sa feu Majesté la reine Victoria et le Conseil Fédéral Suisse, pour l'extradition mutuelle de criminels fugitifs, dans le cas duquel traité les Actes d'extradition de 1870 et 1873 furent appliqués par arrêté en conseil du dix-huitième jour de mai mil huit cent quatre-vingt-un ;

Et considérant qu'une convention complémentaire a été conclue le vingt-neuvième jour de juin mil neuf cent quatre, entre Sa Majesté et le Conseil Fédéral Suisse, modifiant l'article XVIII du dit traité du vingt-six de novembre mil huit cent quatre-vingt pour l'extradition mutuelle de criminels fugitifs, laquelle convention complémentaire est rédigée comme suit :—

Est ajoutée au premier alinéa de l'article XVIII du Traité d'Extradition la disposition suivante :

"Toutefois, dans les rapports de la Suisse avec ces Colonies et possessions étrangères, le délai prévu par l'article III, alinéa 3, pour la demande d'extradition par voie diplomatique, sera de six semaines ; et celui prévu par l'article VIII pour la production des preuves permettant d'accorder l'extradition, sera de trois mois de calendrier."

La présente Convention entrera en vigueur dès que les ratifications en auront été échangées. Elle aura la même force et la même durée que le Traité d'Extradition du 26 novembre, 1880, auquel elle se réfère.

Elle sera ratifiée, et les instruments de ratifications en seront échangés à Londres aussitôt que possible.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, en double expédition, le 29 juin 1904.

(L.S.) CARLIN.

Et attendu que les ratifications de la dite Convention complémentaire ont été échangées à Londres, le vingt-neuvième jour de mars mil neuf cent cinq,—

23. Traité des esclaves en tant que la chose constitue un crime contre les lois des deux Etats.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que cette complicité soit punissable par les lois des deux parties contractantes.

L'extradition aura également lieu à la discrétion de l'Etat requis au sujet de tout autre crime pour lequel, selon la loi des deux parties contractantes alors en vigueur, la demande peut être accordée.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans les territoires du Royaume-Uni ou dans la République de Cuba, respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée de la part du gouvernement de Sa Majesté, ou du gouvernement de Cuba est en état de prévention, ou subit une peine après condamnation dans le territoire du Royaume-Uni, ou dans la République de Cuba, respectivement, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

L'extradition n'aura pas lieu non plus si, d'après la loi de chaque pays, la punition maximum pour le délit imputé, est un emprisonnement pour moins d'un an.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui a été livré ne sera, en aucun cas, dans le pays auquel l'extradition a été accordée, maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui ont motivé l'extradition, jusqu'à ce qu'il ait été réintégré, ou ait eu l'occasion de retourner dans l'Etat qui l'a extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

La demande d'extradition sera faite par l'entremise des agents diplomatiques des deux hautes parties contractantes respectivement :—

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par toute autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle la dite autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police. Dans la République de Cuba le gouvernement décidera par procédure administrative sur toute chose concernant l'extradition jusqu'à ce qu'une procédure spéciale soit établie par la loi sur le sujet.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise en jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, ou si l'extradition est demandée au sujet d'un délit pour lequel le fugitif a déjà été condamné, pour prouver que le prisonnier est la personne condamnée, et que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation.

ARTICLE XII.

Les autorités de l'Etat requis, quand elles procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre Etat, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante:—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de quelque ministre de l'autre Etat; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois du pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses se rattachant à l'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères de Sa Majesté Britannique en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

La demande d'extradition d'un délinquant qui s'est réfugié dans une de ces colonies ou possessions étrangères peut être faite au gouverneur ou principal fonctionnaire de cette colonie ou possession par la personne autorisée à agir dans cette colonie ou possession comme officier consulaire de la République de Cuba.

Le gouverneur ou l'autorité supérieure mentionnée décidera à l'égard de ces demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spé-

ciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Cuba qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté Britannique seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire dix jours après sa publication, en conformité des formules prescrites par les lois des hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'au plus un an et d'au moins six mois.

Le traité sera ratifié après avoir reçu l'approbation du Sénat de la République de Cuba, et les ratifications seront échangées à la Havane aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

Fait en double à la Havane, le troisième jour d'octobre mil neuf cent quatre.

[L.S.] LIONEL CARDEN,
[L.S.] C. E. ORTIZ.

Et attendu que les ratifications du dit traité ont été échangées à la Havane, le dixième jour de janvier mil neuf cent cinq,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour de mai mil neuf cent cinq, les dits actes s'appliqueront dans le cas de Cuba, et du traité avec le Président de la République de Cuba.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

AVIS AUX NAVIGATEURS.

No 48 de 1905.

(Avis de l'Atlantique No 32.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

QUÉBEC.

(117) FLEUVE SAINT-LAURENT—CHENAL DES NAVIRES ENTRE QUÉBEC ET MONTRÉAL—ALIGNEMENT SUPÉ- RIEUR DE CHAMPLAIN—NOUVELLES TOURS D'ALIGNEMENT.

Tour antérieure.—La balise antérieure des deux balises en amont du village de Champlain qui lorsqu'elles étaient en conjonction indiquaient l'ancien axe du chenal des navires depuis le coude de la pointe aux Citrouilles jusqu'au coude en amont de Champlain, a été démolie et remplacée par une tour en bois.

Lat. N. 46° 26' 18"

Long. O. 72 21 27

La tour est un bâtiment en bois, entouré, de forme carrée, avec côtés en pente, surmonté d'une lanterne carrée en bois. Il est peinturé en blanc et le toit de la lanterne en rouge.

Le feu temporaire montré jusqu'ici de la balise (voir Avis aux Navigateurs No. 83 (222) de 1904 sera montré de cette tour jusqu'à nouvel ordre, et lorsqu'il est en conjonction avec le feu montré de la vieille balise haute il indique l'ancien axe du chenal des navires qui est à 75 pieds au nord de l'axe du chenal amélioré.

Lorsque ce chenal amélioré sera complété, ce phare sera reculé 75 pieds au sud dans le nouvel axe du chenal. Ceci fait, la haute balise sera descendue et la nouvelle tour postérieure ci-après mentionnée sera allumée, et alors les deux feux en conjonction indiqueront l'axe du chenal élargi.

Tour postérieure.—Une tour est en voie de construction 75 pieds au sud de la haute balise de l'alignement plus haut décrit. C'est une tour en acier à jour.

De plus amples détails de cet alignement seront publiés lorsque les feux seront allumés.

Les navigateurs sont avertis que si les tours dans leur position actuelle sont mises en conjonction elles jetteront les vaisseaux au nord du chenal. Pour le moment,

la tour antérieure doit être alignée avec la balise de jour postérieure. La nuit les feux indiqueront le même alignement.

(118) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—ALIGNEMENT DE LA POINTE DU LAC—FONDACTIONS D'UN PHARE PLACÉES.

Les fondations en caissonnage pour asseoir un phare que fait construire le gouvernement du Canada, ont été, le 17 juin 1905, immergées dans 21 pieds à l'eau basse près du bateau-feu No 3, lac Saint-Pierre.

Lat.	N.	46°	15'	57"
Long.	O.	72	42	15

Le centre de la pile est à 168 pieds N. 40° E. du bateau-feu No 3, et à 9640 pieds S. 71° O. du phare de la Pointe du Lac. Les relèvements suivants indiquent sa position :

Eglise de la Pointe du Lac.....	0'
Phare de la Pointe du Lac.....	33 50
Phare postérieur du port de St-François.....	26 31
Coupoie du couvent de Nicolet.....	37 58
Eglise de La Baie.....	63 12
Eglise de Yamachiche.....	96 17
Eglise de la Pointe du Lac.....	102 32

La pile est destinée à supporter le phare d'où sera montré le feu antérieur d'un alignement pour marquer l'axe du chenal des navires dragué dans le lac Saint-Pierre depuis la traverse de Nicolet jusqu'au coude à la bouée à gaz de Yamachiche (No 57L). Ceci est le chenal aujourd'hui marqué par le bateau-feu No 3 en conjonction avec le phare de la Pointe du Lac, mais la pile est à 75 pieds au nord de l'alignement de ces feux, car il marquera l'axe du chenal amélioré qui a été élargi de 300 à 450 pieds. Une nouvelle tour postérieure sera plus tard construite à la Pointe du Lac, aussi à 75 pieds au nord de l'ancien alignement.

Le caissonnage, 50 pieds carrés, posé avec un angle contre le courant, est submergé, mais une partie émerge hors de l'eau. La fondation ne sera marquée par aucune autre chose de mieux que des feux de lanterne ordinaires, vu qu'elle est en dehors du chenal. Les petits vaisseaux sont avertis de ne pas passer au nord du bateau-feu la nuit.

AVIS AUX NAVIGATEURS.

No. 54 de 1905.

(Avis de l'Atlantique No. 36.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

QUÉBEC.

(139) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—ALIGNEMENT DE LOUISEVILLE—FONDACTIONS DU PHARE PLACÉES.

Une fondation en caissonnage pour un phare que fait construire le gouvernement du Canada, a été, le 29 de juin 1905, immergée dans 7 pieds à l'eau basse près du bateau-feu No. 2, lac Saint-Pierre.

Lat.	N.	46°	11'	40"
Long.	O.	72	54	2

Le centre de la pile est à 2,000 pieds N. 57° E. du bateau-feu No. 2. Les relèvements suivants fixent sa position :—

Feu élevé de l'île aux Raisins.....	0°
Eglise de Maskinongé.....	86 23'
Cheminée de la Rivière du Loup....	46 57
Eglise de Machiche.....	48 57
Eglise de La Baie.....	85 55
Cheminée de St-François.....	57 33
Feu élevé de l'île aux Raisins.....	34 15

La pile est destinée à supporter le phare duquel sera montré le feu postérieur d'un alignement pour marquer l'axe du chenal des navires dragué dans le lac Saint-Pierre depuis le bateau-feu No. 2 jusqu'au bateau-feu No. 1.

Un phare antérieur pour l'alignement sera plus tard construit à la courbe Louiseville à 75 pieds au nord de la position occupée aujourd'hui par le bateau-feu No. 2.

Le caissonnage a 40 pieds carrés, posé avec un angle contre le courant, et submergé, mais une partie des œuvres mortes émerge hors de l'eau. Vu que cette construction est sur la batture elle ne sera pas spécialement marquée.

Les pilotes sont avertis de ralentir leur marche autant que possible en passant cette fondation et celle récemment immergée à la courbe de la Pointe du Lac durant les heures de travail ; vu que les pilotes et les sonnettes ont déjà été endommagés par les grosses vagues produites par des vaisseaux passant à pleine vitesse ces constructions temporaires.

Et si les travaux de quelque compagnie (constituée ou à être constituée légalement) doivent être déclarés comme étant d'utilité générale, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre chargée, au greffier de chaque municipalité qui pourra être affectée spécialement par la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration statutaire devra constater que cette formalité a été remplie par les postulants.

176. An Act for granting to His Majesty certain sums of money for the public service of the financial years ending respectively the 30th June, 1905, and the 30th June, 1906.

to which Bill I humbly request Your Excellency's assent.”

To this Bill the Clerk of the Senate, by His Excellency's command, did thereupon say :—

“ In His Majesty's name, His Excellency the Governor General thanks His Loyal Subjects, accept their benevolence, and assents to this Bill.”

After which His Excellency the Governor General was pleased to close the FIRST SESSION of the TENTH PARLIAMENT of the DOMINION with the following

SPEECH :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In relieving you from this laborious and long protracted session, I desire to express my hearty congratulations on the passage of the two important measures providing for the entry into the Confederacy of the Provinces of Alberta and Saskatchewan.

The unparalleled increase in the population during the last three years, of the areas the new Provinces embrace, affords the strongest evidence that at no distant date they will be the homes of many millions of prosperous and contented people.

The fair prospect of an unusually abundant harvest, not alone in the three prairie Provinces, but also in other parts of this wide Dominion will, I trust, under a kind Providence, be fully realized, justifying the hope that the stream of immigration now flowing into the Dominion will continue for many years to come, adding wealth to this highly favoured land.

The addition to the number of the Permanent Force which you have authorized will enable my Government to relieve the tax-payers of the United Kingdom from the burden of keeping up the garrisons at Esquimalt and at Halifax.

It is very gratifying to note that the revenue of the Dominion continues to maintain the high level it had reached two years ago, thus enabling my Government to meet the increased expenditure chargeable against Consolidated Revenue, leaving a surplus to apply on Capital Account.

A ces bills la sanction royale a été donnée par le greffier du Sénat dans les termes suivants :—

“ Au nom de Sa Majesté, Son Excellence le Gouverneur Général sanctionne ces bills.”

Alors l'Honorable Orateur de la Chambre des Communes a adressé la parole à Son Excellence le Gouverneur Général comme suit :

“ QU'IL PLAISE À VOTRE EXCELLENCE :

“ Les Communes du Canada ont voté certains subsides nécessaires pour permettre au gouvernement de faire face aux dépenses du service public.

Au nom des Communes je présente à Votre Excellence le Bill suivant :—

176. Acte accordant à Sa Majesté certaines sommes nécessaires pour subvenir à certaines dépenses du Service public pour les exercices expirant respectivement le 30 juin 1905 et le 30 juin 1906.

que je prie humblement Votre Majesté de sanctionner.”

A ce bill la sanction royale a été donnée par le greffier du Sénat, par ordre de Son Excellence, dans les termes suivants :—

“ Au nom de Sa Majesté, Son Excellence le Gouverneur Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill.”

Après quoi il a plu à Son Excellence le Gouverneur Général de clore la PREMIÈRE SESSION DU DIXIÈME PARLEMENT par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous soulageant du poids de cette laborieuse et longue session je désire vous féliciter cordialement d'avoir adopté les deux importantes mesures pourvoyant à l'admission des provinces d'Alberta et de Saskatchewan dans la Confédération.

L'incomparable accroissement de la population dans l'étendue de ces nouvelles provinces depuis trois ans indique de la façon la plus claire qu'elles compteront bientôt plusieurs millions d'habitants prospères et heureux.

J'ai confiance que, Dieu aidant, la perspective d'une récolte exceptionnellement abondante non seulement dans les trois provinces des prairies, mais dans d'autres parties de ce vaste Dominion, va se réaliser complètement et que, par suite, et conformément à nos espérances, le courant d'immigration qui se dirige actuellement vers le Dominion continuera, durant de nombreuses années, de s'y diriger et de contribuer ainsi à enrichir ce pays si favorisé.

L'augmentation de l'effectif de la troupe permanente, que vous avez autorisée, va permettre à mon Gouvernement de décharger les contribuables du Royaume-Uni du soin onéreux d'entretenir des garnisons à Esquimalt et à Halifax.

Il est très satisfaisant de constater que le revenu du Dominion se maintient au chiffre élevé qu'il avait atteint il y a deux ans, ce qui permet à mon Gouvernement de faire face à l'augmentation des dépenses imputables sur le revenu consolidé et laisse un excédent à inscrire au compte du capital.

The numerous Private Bills for industrial objects to which I have assented point to the existence of many new enterprises.

Gentlemen of the House of Commons :

I thank you, in His Majesty's name, for the Supplies you have so liberally voted.

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In returning to your several homes allow me to express the hope that you will find abundant evidences of the growing prosperity and that before we meet again at another session some progress may have been made in the work of constructing the National Transcontinental Railway so soon to become a necessity for the transportation of the annually increasing products of the West.

THE SPEAKER of the Senate then said :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Tuesday, the twenty-ninth day of August next, to be here holden, and this Parliament is accordingly prorogued until the twenty-ninth day of August next.

Le grand nombre de bills d'intérêt privé qui ont été présentés pour des fins industrielles, et que j'ai sanctionnés, fait voir qu'il existe plusieurs nouvelles entreprises.

Messieurs de la Chambre des Communes :

Je vous remercie, au nom de Sa Majesté, d'avoir si libéralement voté les subsides.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Au moment de retourner dans vos foyers permettez-moi de vous exprimer l'espoir que vous trouverez d'abondantes preuves d'une prospérité croissante, et que d'ici à ce qu'une autre session nous réunisse il se fera du progrès dans les travaux de construction du chemin de fer transcontinental national qui deviendra si tôt nécessaire au transport des produits de l'Ouest dont la quantité augmente d'année en année.

L'ORATEUR du Sénat alors dit :

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à mardi, le vingt-neuvième jour d'août prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à mardi, le vingt-neuvième jour d'août prochain.

(125) SOUTH COAST—HILLSBOROUGH BAY—POSITION OF FITZROY ROCK BELL BUOY.

In the Canadian List of Lights and Fog Signals it is stated that Fitzroy rock bell buoy bears N.N.E. from Point Prim buoy. The correct bearing should be N. 14° E.

In running from one buoy to the other due care must always be exercised in regard to the tide which runs strong into Orwell bay during the flood and is liable to carry a vessel over Governor shoals.

(126) SOUTH COAST—HILLSBOROUGH BAY—OFF ST. PETERS ISLAND—BUOY ESTABLISHED.

A steel can buoy has been established on the S. W. reef of St. Peters island, west side of entrance to Hillsborough bay, strait of Northumberland.

Lat.	N.	46°	6'	0"
Long.	W.	63	13	11

The buoy is painted black with "St. Peters Island S. W. reef" painted thereon.

The buoy is moored in 26 feet water, about $1\frac{1}{2}$ miles from the west extreme of St. Peters island.

From the buoy, Rice point bears N. 24° E., the west extreme of St. Peters island N. 59° E., and Point Prim lighthouse S. 48° E.

Mariners should be very cautious when steering from this buoy to Fitzroy rock bell buoy, especially during flood tide which runs strong N.N.W. ward, and is liable to carry a vessel into St. Peters shoals.

The bottom is very uneven along these shoals, and when soundings are made due allowance must always be made for this.

(136) STUART CHANNEL — OFF THETIS ISLAND — UNCHARTED ROCKS.

Commander J. F. Parry, R. N., reports the existence of the following rocks off the north end of Thetis island :

(a) A rocky patch, composed of rock, large stones and sand, lies off the west side of Reef point, the north-west point of Thetis island ; it has several heads with 6 feet on them at low water, and is connected with the shore ; the outermost head has a depth of 6 feet over it at low water, and lies $2\frac{1}{2}$ cables southerly from Reef point, with the shore line abreast of it $1\frac{1}{2}$ cables distant. This places the outer edge of this shoal just outside the 8 fathoms shown on the charts.

(b) A rock, having 4 feet over it at low water, was found at the western side of the entrance of North cove, Thetis island ; it is situated with Reef point bearing S. 52° W., distant $3\frac{1}{10}$ cables ; it is $1\frac{1}{10}$ cables from the shore abreast of it.

NOTICE TO MARINERS.

No. 54 of 1905.

(Atlantic Notice No. 36.)

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

(139) RIVER ST. LAWRENCE—LAKE ST. PETER—LOUISEVILLE—LIGHTHOUSE FOUNDATION PLACED.

A cribwork foundation for a lighthouse under erection by the Government of Canada was, on the 29th June, 1905, sunk in 7 feet at low water near No. 2 lightship, Lake St. Peter.

Lat.	N.	46°	$11'$	$40''$
Long.	W.	72	54	2

The middle of the pier is 2,000 feet N. 57° E. from No. 2 lightship. The following sextant angles fix its position :—

Ile aux Raisins high light.....	0°	
Maskinongé church.....	86	23'
Rivière du Loup chimney.....	46	57
Machiche church.....	48	57
La Baie church.....	85	55
St. Francis chimney.....	57	33
Ile aux Raisins high light.....	34	15

The pier is intended to support the lighthouse from which the back light of a range to mark the axis of the ship channel dredged through Lake St. Peter from No. 2 lightship to No. 1 lightship will be shown.

A front lighthouse for the range will later be built in Louiseville bend 75 feet northerly from the position now occupied by lightship No. 2.

The cribwork 40 feet square, set with one corner up stream, is under water, but some false work shows above water. As this structure is on the flats it will not be specially marked.

Pilots are instructed to check their vessels down to dead slow in passing this foundation and that lately sunk at Pointe du Lac bend during working hours, as damage has already been done to piles and pile drivers from excessive wash produced by passing these temporary structures at full speed.

Circulaire.

DOWNING STREET,

17 juin 1905.

MONSIEUR,—Relativement à la dépêche circulaire du comte de Kimberley datée le 30 mai 1881, j'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un arrêté de Sa Majesté le Roi en conseil, daté le 29 de mai 1905, mettant en vigueur à compter du 9 courant une convention conclue entre Sa Majesté Britannique et le Conseil Fédéral de la Confédération Suisse en complément de l'article XVIII du traité d'extradition conclu entre la Grande-Bretagne et la Suisse, le 26 novembre 1880.

Cette convention complémentaire a été signée à Londres le 29 de juin 1904, et les ratifications ont été échangées au même lieu le 29 de mars 1905.

J'ai l'honneur d'être,

Monsieur.

Votre très obéissant serviteur,

ALFRED LYTTTELTON.

A l'Administrateur

du Gouvernement du Canada.

ARRÊTÉ EN CONSEIL

(Appliquant la Convention d'extradition du 29 juin 1904)

CHATEAU DE BUCKINGHAM, 29 MAI 1905.

A LA COUR AU CHATEAU DE BUCKINGHAM
LE 29^e JOUR DE MAI 1905.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Intendant,
Mr. C. B. Stuart-Wortley,
Sir W. H. Walrond,
Sir A. Nicolson,
Sir W. E. Goschen.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un État étranger au sujet de la reddition à cet État de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'État étranger en question ; et que Sa Ma-

jesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de novembre mil huit cent quatre-vingt, entre Sa Majesté la reine Victoria et le Conseil Fédéral Suisse, pour l'extradition mutuelle de criminels fugitifs, dans le cas duquel traité les Actes d'extradition de 1870 et 1873 furent appliqués par arrêté en conseil du dix-huitième jour de mai mil huit cent quatre-vingt-un ;

Et considérant qu'une convention complémentaire a été conclue le vingt-neuvième jour de juin mil neuf cent quatre, entre Sa Majesté et le Conseil Fédéral Suisse, modifiant l'article XVIII du dit traité du vingt-six de novembre mil huit cent quatre-vingt pour l'extradition mutuelle de criminels fugitifs, laquelle convention complémentaire est rédigée comme suit :—

Convention relative à un Complément de l'Article XVIII du Traité d'Extradition conclu entre la Grande-Bretagne et la Suisse, le 26 novembre, 1880.

LE Gouvernement de Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et le Conseil Fédéral de la Confédération Suisse, ayant jugé nécessaire de prolonger les délais de trente jours, respectivement de deux mois, prévus pour les rapports de la Suisse avec les Colonies et possessions étrangères de la Grande-Bretagne, par l'article III, alinéa 3, et par l'article VIII du traité conclu le 26 novembre, 1880, entre feu Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice des Indes, etc., et le Conseil Fédéral Suisse concernant l'extradition de personnes accusées ou condamnées, les soussignés, dûment autorisés à cet effet par leurs Gouvernements respectifs, sont convenus de ce qui suit :—

Est ajoutée au premier alinéa de l'article XVIII du Traité d'Extradition la disposition suivante :

"Toutefois, dans les rapports de la Suisse avec ces Colonies et possessions étrangères, le délai prévu par l'article III, alinéa 3, pour la demande d'extradition par voie diplomatique, sera de six semaines ; et celui prévu par l'article VIII pour la production des preuves permettant d'accorder l'extradition, sera de trois mois de calendrier."

La présente Convention entrera en vigueur dès que les ratifications en auront été échangées. Elle aura la même force et la même durée que le Traité d'Extradition du 26 novembre, 1880, auquel elle se réfère.

Elle sera ratifiée, et les instruments de ratifications en seront échangés à Londres aussitôt que possible.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, en double expédition, le 29 juin 1904.

(L.S.) CARLIN.

Et attendu que les ratifications de la dite Convention complémentaire ont été échangées à Londres, le vingt-neuvième jour de mars mil neuf cent cinq,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le neuvième jour de juin mil neuf cent cinq, les dits actes s'appliqueront dans le cas de la Suisse, en conformité du dit traité, tel que modifié par la dite Convention complémentaire ci-dessus énoncée.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

No. 54 de 1905.

(Avis de l'Atlantique No. 36.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

QUÉBEC.

(139) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—ALIGNEMENT DE LOUISEVILLE—FONDATEURS DU PHARE PLACÉES.

Une fondation en caissonnage pour un phare que fait construire le gouvernement du Canada, a été, le 29 de juin 1905, immergé dans 7 pieds à l'eau basse près du bateau-feu No. 2, lac Saint-Pierre.

Lat. N. 46° 11' 40"
Long. O. 72 54 2

Le centre de la pile est à 2,000 pieds N. 57° E. du bateau-feu No. 2. Les relèvements suivants fixent sa position :—

Feu élevé de l'île aux Raisins.....	0°
Eglise de Maskinongé.....	86 23'
Cheminée de la Rivière du Loup...	46 57
Eglise de Machiche.....	48 57
Eglise de La Baie.....	85 55
Cheminée de St-François.....	57 33
Feu élevé de l'île aux Raisins.....	34 15

La pile est destinée à supporter le phare duquel sera montré le feu postérieur d'un alignement pour marquer l'axe du chenal des navires dragué dans le lac Saint-Pierre depuis le bateau-feu No. 2 jusqu'au bateau-feu No. 1.

Un phare antérieur pour l'alignement sera plus tard construit à la courbe Louiseville à 75 pieds au nord de la position occupée aujourd'hui par le bateau-feu No. 2.

Le caissonnage à 40 pieds carrés, posé avec un angle contre le courant, et submergé, mais une partie des œuvres mortes émerge hors de l'eau. Vu que cette construction est sur la batture elle ne sera pas spécialement marquée.

Les pilotes sont avertis de ralentir leur marche autant que possible en passant cette fondation et celle récemment immergée à la courbe de la Pointe du Lac durant les heures de travail; vu que les pilotes et les sonnettes ont déjà été endommagés par les grosses vagues produites par des vaisseaux passant à pleine vitesse ces constructions temporaires.

CHAP. 3.

An Act to establish and provide for the Government
of the Province of Alberta.

[Assented to 20th July, 1905.]

WHEREAS in and by *The British North America Act*, Preamble, 1871, being chapter 28 of the Acts of the Parliament of the United Kingdom passed in the session thereof held in the 34th and 35th years of the reign of Her late Majesty Queen Victoria, it is enacted that the Parliament of Canada may from time to time establish new provinces in any territories forming for the time being part of the Dominion of Canada, but not included in any province thereof, and may, at the time of such establishment, make provision for the constitution and administration of any such province, and for the passing of laws for the peace, order and good government of such province, and for its representation in the said Parliament of Canada;

And whereas it is expedient to establish as a Province the territory hereinafter described, and to make provision for the government thereof and the representation thereof in the Parliament of Canada: Therefore His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. This Act may be cited as *The Alberta Act*.

Short title

Province of
Alberta
formed ; its
boundaries.

2. The territory comprised within the following boundaries, that is to say,—commencing at the intersection of the international boundary dividing Canada from the United States of America by the fourth meridian in the system of Dominion lands surveys ; thence westerly along the said international boundary to the eastern boundary of the province of British Columbia ; thence northerly along the said eastern boundary of the province of British Columbia to the north-east corner of the said province ; thence easterly along the parallel of the sixtieth degree of north latitude to the fourth meridian in the system of Dominion lands surveys as the same may be hereafter defined in accordance with the said system ; thence southerly along the said fourth meridian to the point of commencement,—is hereby established as a province of the Dominion of Canada, to be called and known as the province of Alberta.

B. N. A. Acts,
1867 to 1886,
to apply.

3. The provisions of *The British North America Acts*, 1867 to 1886, shall apply to the province of Alberta in the same way and to the like extent as they apply to the provinces heretofore comprised in the Dominion, as if the said province of Alberta had been one of the provinces originally united, except in so far as varied by this Act and except such provisions as are in terms made, or by reasonable intendment may be held to be, specially applicable to or only to affect one or more and not the whole of the said provinces.

Representa-
tion in the
Senate.

4. The said province shall be represented in the Senate of Canada by four members: provided that such representation may, after the completion of the next decennial census, be from time to time increased to six by the Parliament of Canada.

Representa-
tion in the
House of
Commons.

5. The said province and the province of Saskatchewan shall, until the termination of the Parliament of Canada existing at the time of the first readjustment hereinafter provided for, continue to be represented in the House of Commons as provided by chapter 60 of the statutes of 1903, each of the electoral districts defined in that part of the schedule to the said Act which relates to the North-west Territories, whether such district is wholly in one of the said provinces, or partly in one and partly in the other of them, being represented by one member.

Readjustment
after next
quinquennial
census.

6. Upon the completion of the next quinquennial census for the said province, the representation thereof shall forthwith be readjusted by the Parliament of Canada in such manner that there shall be assigned to the said province such a number of members as will bear the same proportion to the number of its population ascertained at such quinquennial census as the number sixty-five bears to the number of the population of Quebec as ascertained at the then last decennial census ; and in the computation of the number of members for the said Province a fractional part not exceeding one-half of the whole number requisite for entitling the province to a member shall be disregarded, and a fractional part exceeding one-half of that number shall be deemed equivalent to the whole number, and such readjustment shall take effect upon the termination of the parliament then existing.

Subsequent
readjust-
ments.

2. The representation of the said Province shall thereafter be readjusted from time to time according to the provisions of section 51 of *The British North America Act*, 1867.

Election of
members of
House of
Commons.

7. Until the Parliament of Canada otherwise provides the qualifications of voters for the election of members of the House of Commons and the proceedings at and in connection

with elections of such members shall, *mutatis mutandis*, be those prescribed by law at the time this Act comes into force with respect to such elections in the North-west Territories.

8. The Executive Council of the said province shall be composed of such persons, under such designations, as the Lieutenant Governor from time to time thinks fit.

Executive
Council.

And whereas a Treaty was concluded on the twenty-sixth day of November, one thousand eight hundred and eighty, between Her late Majesty Queen Victoria and the Swiss Federal Council for the mutual extradition of fugitive criminals, in the case of which Treaty the Extradition Acts of 1870 and 1873 were applied by Order in Council of the eighteenth May, one thousand eight hundred and eighty-one;

The present Convention shall come into force from the date when the ratifications shall be exchanged. It shall have the same force and duration as the Treaty of Extradition of the 26th November, 1880, to which it relates.

It shall be ratified, and the ratifications shall be exchanged at London as soon as possible.

In witness whereof the undersigned have signed the present Convention, and have affixed their seals thereto.

Done at London in duplicate, the 29th day of June, 1904.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of July, 1905.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Governor General in Council, in virtue of the provisions of section 29, chapter 11, 3 Edward VII, intituled "An Act respecting Infectious or Contagious Diseases affecting Animals," is pleased to order that paragraph 11 of the Order in Council, dated 10th July, 1905, authorizing certain regulations respecting disease in animals known as Mange and which reads as follows:—

"No railway company shall accept or load any shipment of cattle at any point within the said tract except for immediate slaughter, as provided in section 7 of the above mentioned Act, unless such shipment is accompanied by the certificate of an Inspector" shall be and the same is hereby amended as follows:—after the word "as" and before the word "provided" the word "hereinafter" be inserted, and that all the words between the word "provided" and the word "unless" shall be and the same are hereby expunged therefrom.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of July, 1905.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the disease of Mange exists among cattle throughout those portions of the Territories of Assiniboia and Alberta which may be described as bounded by the International Boundary, the Rocky Mountains and a line drawn as follows:—

A line from the Rocky Mountains along the south eastern boundary of the Stoney Indian Reserve, then along the north eastern boundary of the said Reserve to the main line of the Canadian Pacific Railway, thence easterly along the said line of railway to the line between Ranges 5 and 6 west of the 5th Meridian, thence north along that line to the line between Townships 28 and 29, thence east along that line to the line of the Calgary and Edmonton Railway, thence north along the Calgary and Edmonton Railway to the line between Townships 30 and 31, thence east along that line to the line between Ranges 26 and 27 west of the 4th Principal Meridian, thence north along that line

to the line between townships 34 and 35, thence east along that line to the Red Deer River, thence north along the Red Deer River to the line between Townships 38 and 39, thence east along that line to the 4th Principal Meridian, thence south along the 4th Principal Meridian to the Red Deer River, thence along the Red Deer and Saskatchewan Rivers to the line between Ranges 7 and 8 west of the 3rd Meridian, thence south along that line to the International Boundary Line.

And whereas it is of the greatest importance to the interests of stock owners and to the preservation of a profitable market for western cattle that the policy adopted last year (1904) with a view to the eradication of the disease in question, should be continued.

That after careful enquiry and due consideration it has been decided that the period between 15th August and 31st October is the most suitable and convenient for treatment with the above object.

Therefore the Governor General in Council, in virtue of the provisions of section 29, chapter 11, 3 Edward VII, intituled "An Act respecting Infectious or Contagious Diseases affecting Animals" is pleased to order that the above described tract of land shall be and the same is hereby declared an infected place, and that all persons owning or being in charge of cattle within the above described tract must, during the said period, dip or otherwise treat such cattle in a manner satisfactory to the officers of the Department of Agriculture, provision being made that where it can be clearly shown to the satisfaction of the said officers that cattle kept under fence in any well defined area or district within the said tract are not affected with and have not been in any way exposed to the contagion of Mange, or have been during the present season treated in a satisfactory manner and subsequently kept isolated from all other cattle, the Veterinary Director General may, on the facts being reported to him, exempt such area or district from such compulsory treatment, but this provision shall in no case apply to cattle kept on the open range, or on unfenced land.

Satisfactory treatment shall consist of immersion for not less than two minutes in a solution of lime and sulphur of a strength of not less than ten pounds of lime and twenty-four pounds of sulphur to one hundred gallons of water prepared according to the directions of the officers of the Department of Agriculture.

When approved by the Inspector in charge of the district in which the cattle to be dealt with are kept, persons owning or controlling herds of not more than 30 head may be permitted to treat their animals by hand, in which case the following preparation shall be used:—

Sulphur.....	2 pounds.
Oil of tar.....	8 ounces.
Raw linseed oil.....	1 gallon.

In either case the fluid shall be applied at a temperature of not less than 105° nor more than 110° Fahrenheit, and the treatment shall be repeated after an interval of not less than 10 nor more than 15 days.

In the event of any owner failing to treat or make satisfactory preparation for the treatment of his cattle on or before 15th October the provisions of the General Order in Council regarding Mange, established on the 27th June, 1904, shall be enforced.

The Governor General in Council is further pleased to order that no cattle shall be removed or be allowed to move out of the hereinbefore described tract unless they are accompanied by the certificate of an Inspector of the Department of Agriculture, stating that they have been examined by him and found free from contagion of Mange. Any such cattle, however, shall, if deemed advisable by the Inspector, be detained, dipped, sprayed or otherwise treated in such manner as the Veterinary Director General may, from time to time, prescribe.

No Railway Company shall accept or load any shipment of cattle at any point within the said tract except for immediate slaughter as provided in section 7 of the above mentioned Act, unless such shipment is accompanied by the certificate of an Inspector.

At points where cattle originating in the said district are unloaded they shall be placed in special yards and such yards shall be used for no other purpose, and

shall be cleansed and disinfected when so ordered by an Inspector.

All cars and other vehicles used for the carriage of such cattle shall be cleansed and disinfected to the satisfaction of an Inspector as soon as possible after being unloaded and before being used for any other shipment.

All way bills and bills of lading accompanying shipments of cattle originating within the said tract shall have plainly written or stamped across the face thereof a notification that the said cars are to be cleansed and disinfected immediately after being unloaded.

Cattle affected with or which have been exposed to the contagion of Mange may be shipped for immediate slaughter to points within the above described tract under the following conditions :

(1) Unless loaded through special yards and chutes reserved exclusively for such shipments, all yards and chutes used by them shall be declared infected places and shall not be used for the shipment of healthy stock until cleansed and disinfected to the satisfaction of the Inspector ; they shall not be allowed to come in contact with other animals ; shall be consigned direct only to such slaughter houses within the hereinbefore described tract as are provided with private yards and chutes ; shall not be unloaded at any point on the route and shall under no pretext whatever be removed alive from the slaughter house or the yards and premises immediately connected therewith.

(2) Cars conveying such cattle shall be cleansed and disinfected to the satisfaction of an Inspector immediately after being unloaded.

That the transit of cattle through the said tract be permitted subject to the following regulations :—

(1) Cattle for transit by rail through the said tract from one part of Canada to another shall, at points where unloading is necessary, be placed in yards reserved for their exclusive use, and shall not be permitted to come in contact with cattle which have originated within the said tract.

(2) Cattle imported from the United States into the said tract destined for points in Canada outside thereof may, under compliance with the Quarantine Regulations, and with the provisions of the next preceding section hereof, be permitted to pass without unnecessary delay through the said tract direct to their destination without further restrictions.

JOHN J. MCGEE,
Clerk of the Privy Council.

Therefore the Governor General in Council is pleased, under the provisions of section 29, chapter 11, 3 Edward VII, intituled : “An Act respecting Infectious or Contagious Diseases affecting Animals,” to order that the Order in Council above cited shall be and the same is hereby rescinded and that the following Regulations be established and come into force at once :—

2. Any Veterinary Inspector may declare to be an infected place within the meaning of “The *Animal Contagious Diseases Act, 1903*,” any common, field, stable or other place or premises where animals are found which are affected or suspected of being affected with *Maladie du Coit*.

6. The expenses of and incidental to the collection, isolation, seizure, castration or otherwise dealing with horses for the purposes of these Regulations shall be borne by the owners of the animals.

7. No entire horse or ridgling more than one year old shall be permitted to run at large on unfenced lands in the Province of Alberta or in that portion of the Province of Saskatchewan lying west of the third principal meridian.

8. Any entire horse or ridgling more than one year old found running at large within the area defined above may be seized and held on the order of any duly authorized Veterinary Inspector of the Department of Agriculture, who shall forthwith whenever possible notify the owner of the said horse of such seizure, and the said horse, if not claimed within thirty days of such seizure, may be castrated, and no indemnity shall be allowed to the owner in case of damage arising out of or resulting from said castration, seizure or detention.

9. Animals affected with *Maladie du Coit* may, on an order signed by a duly appointed Veterinary Inspector acting under special instructions from the Veterinary Director General, be forthwith slaughtered, and the carcasses disposed of as in such order provided, and compensation may be paid to the owners of such animals if and when the Act so provides.

10. Before an order is made for the payment of compensation in any of the cases aforesaid there must be produced to the Minister of Agriculture a satisfactory report, order for slaughter, certificate of valuation and slaughter, all signed by an Inspector.]

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 29 du chapitre 11, 3 Edward VII, intitulé "Acte concernant les épizooties", d'ordonner que le paragraphe 11 de l'arrêté en conseil daté le 10 de juillet 1905, autorisant certains règlements concernant la maladie des animaux appelée "Gale des bestiaux" et qui se lit comme suit :—

"Nulle compagnie de chemin de fer n'acceptera ni ne chargera un envoi d'animaux à aucun point dans la dite région sauf pour abattage immédiat, tel que prescrit par l'article 7 du susdit acte, à moins que cet envoi ne soit accompagné du certificat d'un inspecteur" soit et il est par le présent modifié comme suit :—après les mots "tel que" et avant le mot "prescrit" le mot "ci-après" soit inséré, et que tous les mots entre le mot "prescrit" et les mots "à moins" soient et ils sont par le présent rayés d'icelui.

JOHN J. McGEE,
Greffier du conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 10e jour de juillet 1905.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que la maladie de la gale des bestiaux existe parmi le bétail dans toutes les régions des territoires d'Assiniboia et Alberta décrites comme étant bornées par la frontière internationale, les Montagnes Rocheuses et une ligne tirée comme suit :—

Une ligne depuis les Montagnes Rocheuses longeant la frontière sud-est de la Réserve des Assiniboïnes, de

là longeant la frontière nord-est de la dite réserve jusqu'à la ligne mère du chemin de fer Canadien du Pacifique, de là dans une direction est longeant la dite ligne de chemin de fer jusqu'à la ligne entre les rangs 5 et 6 à l'ouest du 5e méridien, de là au nord longeant la dite ligne jusqu'à la ligne entre les townships 28 et 29, de là à l'est longeant la dite ligne jusqu'à la ligne du chemin de fer Calgary et Edmonton, de là au nord longeant le chemin de fer Calgary et Edmonton jusqu'à la ligne entre les townships 30 et 31, de là à l'est longeant la dite ligne jusqu'à la ligne entre les rangs 26 et 27 à l'ouest du 4e méridien principal, de là au nord longeant la dite ligne jusqu'à la ligne entre les townships 34 et 35, de là à l'est longeant la dite ligne jusqu'à la rivière du Daim, de là au nord longeant la dite rivière du Daim jusqu'à la ligne entre les townships 38 et 39, de là à l'est longeant la dite ligne jusqu'au 4e méridien principal, de là au sud longeant le 4e méridien principal jusqu'à la rivière du Daim, de là longeant les rivières du Daim et Saskatchewan jusqu'à la ligne entre les rangs 7 et 8 à l'ouest du 3e méridien, de là au sud longeant la dite ligne jusqu'à la ligne frontière internationale.

Et attendu qu'il est de la plus haute importance pour les intérêts des propriétaires de bétail et pour la conservation d'un marché profitable pour le bétail de l'ouest que la politique adoptée l'année dernière (1904) soit continuée dans le but d'extirper la maladie en question ;

Qu'après mûre considération et une enquête soigneuse il a été décidé que la période entre le 15 août et le 31 octobre est la plus convenable et la plus facile pour le traitement dans le but susdit,—

A ces causes, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 29, chapitre 11, 3 Edward VII, intitulé "Acte concernant les épizooties", d'ordonner que la région du pays ci-dessus décrite sera et elle est par le présent déclarée lieu infecté, et que toutes personnes possédant ou ayant la charge de bestiaux dans la région ci-dessus décrite, devront, durant la dite période, immerger ou autrement traiter les dits animaux à la satisfaction des officiers du ministère de l'Agriculture, pourvu que dans le cas où il sera démontré à la satisfaction des dits officiers que des animaux gardés en clos dans une étendue ou district bien défini dans la dite région ne sont pas atteints, et n'ont pas été exposés d'une façon quelconque à la contagion de la gale, ou ont été durant la dite période traités d'une manière satisfaisante et ensuite isolés de tous autres bestiaux, le directeur vétérinaire général pourra, en étant informé des faits, exempter cette étendue ou district du traitement compulsive, mais cette disposition ne s'appliquera en aucun cas aux animaux gardés sur des ranches ouverts, ou sur du terrain non clôturé.

Un traitement satisfaisant consiste en l'immersion pendant deux minutes au moins dans une solution de chaux et de soufre d'une force d'au moins dix livres de chaux et vingt-quatre livres de soufre pour cent gallons d'eau préparée d'après les prescriptions des officiers du ministère de l'Agriculture.

Lorsque la chose sera approuvée par l'inspecteur en charge du district dans lequel sont gardés les animaux à traiter, les personnes possédant ou en charge de troupeaux d'au plus 30 têtes, pourront traiter leurs bestiaux à la main, et dans ce cas la préparation ci-dessous sera employée :—

Soufre.	2 livres.
Huile de goudron.	8 onces.
Huile de graine de lin crue. . .	1 gallon.

Dans chaque cas le fluide sera appliqué à une température d'au moins 105° et d'au plus 110° Fahrenheit, et le traitement sera répété après un intervalle d'au moins 10 jours et d'au plus 15 jours.

Si un propriétaire manque de traiter ou de faire une préparation satisfaisante pour le traitement de ses bestiaux le ou avant le 15 octobre, les dispositions de l'Ordre général en conseil concernant la gale, établi le 27 juin 1904, sera mis en vigueur.

Il plaît en outre au Gouverneur général en conseil d'ordonner qu'aucun bétail ne sera déplacé ni ne sera sorti de la région plus haut décrite, sans être accompagné du certificat d'un inspecteur du ministère de l'Agriculture, énonçant que ce bétail a été examiné

par lui et trouvé exempt de contagion de la gale. Tout tel bétail, toutefois, sera, si l'inspecteur le juge à propos, détenu, immergé, arrosé ou autrement traité de la même manière que le directeur général vétérinaire prescrira de temps à autre.

Nulle compagnie de chemin de fer n'acceptera ni ne chargera un envoi d'animaux à aucun point dans la dite région sauf pour abattage immédiat, tel que prescrit par l'article 7 du susdit acte, à moins que cet envoi ne soit accompagné du certificat d'un inspecteur.

Aux endroits où des bestiaux du dit district sont déchargés, ils seront placés dans des cours spéciales, et ces cours ne serviront à nulle autre fin et seront nettoyées et désinfectées quand un inspecteur l'ordonnera.

Tous les wagons et autres véhicules employés au transport de ces bestiaux seront nettoyés et désinfectés à la satisfaction d'un inspecteur aussitôt que possible après avoir été déchargés et avant d'être employés à un autre envoi.

Toutes les factures et connaissements qui accompagnent des envois de bestiaux provenant du dit district porteront à leur face lisiblement écrit ou estampé, un avis à l'effet que les dits wagons doivent être nettoyés et désinfectés immédiatement après avoir été déchargés.

Les animaux qui sont atteints ou ont été exposés à la contagion de la gale peuvent être expédiés pour abattage immédiat à des endroits dans la région plus haut décrite aux conditions suivantes :—

(1) A moins qu'ils ne soient chargés dans des cours spéciales et chutes réservées exclusivement à ces envois, toutes les cours et chutes employées par eux seront déclarées lieux infectés et ne seront pas une seconde fois employées à l'envoi de bétail sain sans avoir été nettoyées et désinfectées à la satisfaction de l'inspecteur ; on ne les laissera pas venir en contact avec d'autres animaux ; ils seront directement consignés qu'aux abattoirs dans la région plus haut décrite qui sont munis de cours et chutes privées ; ils ne seront pas déchargés à aucun point en route et ne seront pour aucune raison que ce soit déplacés vivants de l'abattoir ou des cours et lieux qui y sont attachés.

(2) Les wagons qui transportent ces animaux seront nettoyés et désinfectés à la satisfaction d'un inspecteur immédiatement après avoir été déchargés.

Que le transit d'animaux dans la dite région sera permis aux conditions suivantes :—

(1) Les animaux pour transit par rail dans la dite région d'une partie du Canada à une autre partie, seront, aux endroits où le déchargement est nécessaire, placés dans des cours réservées à leur usage exclusif, et on ne devra pas permettre qu'ils viennent en contact avec des animaux qui proviennent de la dite région.

(2) Les animaux importés des Etats-Unis dans la dite région, et en destination de points en Canada en dehors de la dite région, en conformité des règlements de quarantaine, et en vertu des dispositions de l'article immédiatement précédent, pourront passer sans délai inutile dans la dite région directement à leur destination sans autres restrictions.

J'ai l'honneur d'être,

Monsieur.

Votre très obéissant serviteur,

A l'Administrateur

du Gouvernement du Canada.

ARRÊTÉ EN CONSEIL

(Appliquant la Convention d'extradition du 29 juin 1904)

CHATEAU DE BUCKINGHAM, 29 MAI 1905.

A LA COUR AU CHATEAU DE BUCKINGHAM,

LE 29^e JOUR DE MAI 1905.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Intendant,
Mr. C. B. Stuart-Wortley,
Sir W. H. Walrond,
Sir A. Nicolson,
Sir W. E. Goschen.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de novembre mil huit cent quatre-vingt, entre Sa feu Majesté la reine Victoria et le Conseil Fédéral Suisse, pour l'extradition mutuelle de criminels fugitifs, dans le cas duquel traité les Actes d'extradition de 1870 et 1873 furent appliqués par arrêté en conseil du dix-huitième jour de mai mil huit cent quatre-vingt-un ;

Et considérant qu'une convention complémentaire a été conclue le vingt-neuvième jour de juin mil neuf cent quatre, entre Sa Majesté et le Conseil Fédéral Suisse, modifiant l'article XVIII du dit traité du vingt-six de novembre mil huit cent quatre-vingt pour l'extradition mutuelle de criminels fugitifs, laquelle convention complémentaire est rédigée comme suit :—

Convention relative à un Complément de l'Article XVIII du Traité d'Extradition conclu entre la Grande-Bretagne et la Suisse, le 26 novembre, 1880.

LE Gouvernement de Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et le Conseil Fédéral de la Confédération Suisse, ayant jugé nécessaire de prolonger les délais de trente jours, respectivement de deux mois, prévus pour les rapports de la Suisse avec les Colonies et possessions étrangères de la Grande-Bretagne, par l'article III, alinéa 3, et par l'article VIII du traité conclu le 26 novembre, 1880, entre feu Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice des Indes, etc., et le Conseil Fédéral Suisse concernant l'extradition de personnes accusées ou condamnées, les soussignés, dûment autorisés à cet effet par leurs Gouvernements respectifs, sont convenus de ce qui suit :—

Est ajoutée au premier alinéa de l'article XVIII du Traité d'Extradition la disposition suivante :

“Toutefois, dans les rapports de la Suisse avec ces Colonies et possessions étrangères, le délai prévu par l'article III, alinéa 3, pour la demande d'extradition par voie diplomatique, sera de six semaines ; et celui prévu par l'article VIII pour la production des preuves permettant d'accorder l'extradition, sera de trois mois de calendrier.”

La présente Convention entrera en vigueur dès que les ratifications en auront été échangées. Elle aura la même force et la même durée que le Traité d'Extradition du 26 novembre, 1880, auquel elle se réfère.

Elle sera ratifiée, et les instruments de ratifications en seront échangés à Londres aussitôt que possible.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, en double expédition, le 29 juin 1904.

(L.S.) CARLIN.

Et attendu que les ratifications de la dite Convention complémentaire ont été échangées à Londres, le vingt-neuvième jour de mars mil neuf cent cinq,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le neuvième jour de juin mil neuf cent cinq, les dits actes s'appliqueront dans le cas de la Suisse, en conformité du dit traité, tel que modifié par la dite Convention complémentaire ci-dessus énoncée.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

JOHN J. MCGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of July, 1905.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the disease of Mange exists among cattle throughout those portions of the Territories of Assiniboia and Alberta which may be described as bounded by the International Boundary, the Rocky Mountains and a line drawn as follows :—

A line from the Rocky Mountains along the south eastern boundary of the Stoney Indian Reserve, then along the north eastern boundary of the said Reserve to the main line of the Canadian Pacific Railway, thence easterly along the said line of railway to the line between Ranges 5 and 6 west of the 5th Meridian, thence north along that line to the line between Townships 28 and 29, thence east along that line to the line of the Calgary and Edmonton Railway, thence north along the Calgary and Edmonton Railway to the line between Townships 30 and 31, thence east along that line to the line between Ranges 26 and 27 west of the 4th Principal Meridian, thence north along that line

to the line between townships 34 and 35, thence east along that line to the Red Deer River, thence north along the Red Deer River to the line between Townships 38 and 39, thence east along that line to the 4th Principal Meridian, thence south along the 4th Principal Meridian to the Red Deer River, thence along the Red Deer and Saskatchewan Rivers to the line between Ranges 7 and 8 west of the 3rd Meridian, thence south along that line to the International Boundary Line.

And whereas it is of the greatest importance to the interests of stock owners and to the preservation of a profitable market for western cattle that the policy adopted last year (1904) with a view to the eradication of the disease in question, should be continued.

That after careful enquiry and due consideration it has been decided that the period between 15th August and 31st October is the most suitable and convenient for treatment with the above object.

Therefore the Governor General in Council, in virtue of the provisions of section 29, chapter 11, 3 Edward VII, intituled "An Act respecting Infectious or Contagious Diseases affecting Animals" is pleased to order that the above described tract of land shall be and the same is hereby declared an infected place, and that all persons owning or being in charge of cattle within the above described tract must, during the said period, dip or otherwise treat such cattle in a manner satisfactory to the officers of the Department of Agriculture, provision being made that where it can be clearly shown to the satisfaction of the said officers that cattle kept under fence in any well defined area or district within the said tract are not affected with and have not been in any way exposed to the contagion of Mange, or have been during the present season treated in a satisfactory manner and subsequently kept isolated from all other cattle, the Veterinary Director General may, on the facts being reported to him, exempt such area or district from such compulsory treatment, but this provision shall in no case apply to cattle kept on the open range, or on unfenced land.

Satisfactory treatment shall consist of immersion for not less than two minutes in a solution of lime and sulphur of a strength of not less than ten pounds of lime and twenty-four pounds of sulphur to one hundred gallons of water prepared according to the directions of the officers of the Department of Agriculture.

When approved by the Inspector in charge of the district in which the cattle to be dealt with are kept, persons owning or controlling herds of not more than 30 head may be permitted to treat their animals by hand, in which case the following preparation shall be used :—

Sulphur.....	2 pounds.
Oil of tar.....	8 ounces.
Raw linseed oil.....	1 gallon.

In either case the fluid shall be applied at a temperature of not less than 105° nor more than 110° Fahrenheit, and the treatment shall be repeated after an interval of not less than 10 nor more than 15 days.

In the event of any owner failing to treat or make satisfactory preparation for the treatment of his cattle on or before 15th October the provisions of the General Order in Council regarding Mange, established on the 27th June, 1904, shall be enforced.

The Governor General in Council is further pleased to order that no cattle shall be removed or be allowed to move out of the hereinbefore described tract unless they are accompanied by the certificate of an Inspector of the Department of Agriculture, stating that they have been examined by him and found free from contagion of Mange. Any such cattle, however, shall, if deemed advisable by the Inspector, be detained, dipped, sprayed or otherwise treated in such manner as the Veterinary Director General may, from time to time, prescribe.

No Railway Company shall accept or load any shipment of cattle at any point within the said tract except for immediate slaughter as provided in section 7 of the above mentioned Act, unless such shipment is accompanied by the certificate of an Inspector.

At points where cattle originating in the said district are unloaded they shall be placed in special yards and such yards shall be used for no other purpose, and

shall be cleansed and disinfected when so ordered by an Inspector.

All cars and other vehicles used for the carriage of such cattle shall be cleansed and disinfected to the satisfaction of an Inspector as soon as possible after being unloaded and before being used for any other shipment.

All way bills and bills of lading accompanying shipments of cattle originating within the said tract shall have plainly written or stamped across the face thereof a notification that the said cars are to be cleansed and disinfected immediately after being unloaded.

Cattle affected with or which have been exposed to the contagion of Mange may be shipped for immediate slaughter to points within the above described tract under the following conditions :

(1) Unless loaded through special yards and chutes reserved exclusively for such shipments, all yards and chutes used by them shall be declared infected places and shall not be used for the shipment of healthy stock until cleansed and disinfected to the satisfaction of the Inspector ; they shall not be allowed to come in contact with other animals ; shall be consigned direct only to such slaughter houses within the hereinbefore described tract as are provided with private yards and chutes ; shall not be unloaded at any point on the route and shall under no pretext whatever be removed alive from the slaughter house or the yards and premises immediately connected therewith.

(2) Cars conveying such cattle shall be cleansed and disinfected to the satisfaction of an Inspector immediately after being unloaded.

That the transit of cattle through the said tract be permitted subject to the following regulations :—

(1) Cattle for transit by rail through the said tract from one part of Canada to another shall, at points where unloading is necessary, be placed in yards reserved for their exclusive use, and shall not be permitted to come in contact with cattle which have originated within the said tract.

(2) Cattle imported from the United States into the said tract destined for points in Canada outside thereof may, under compliance with the Quarantine Regulations, and with the provisions of the next preceding section hereof, be permitted to pass without unnecessary delay through the said tract direct to their destination without further restrictions.

Clerk of the Privy Council.
